Gregg Kizewski - Concealed Carry and Family Defense Academy

Gregg Kizewski is a highly sought out United States Concealed Carry Association Certified Training Counselor and Instructor. With over 30 years of firearms teaching experience, his passion for the shooting sports and vast knowledge of defensive shooting tactics, are fine tuned to train responsibly armed citizens of ANY skill level! From beginners to advanced users, you will find extreme value in his training and ongoing commitment to you!

Personal defense in the home is different than personal defense on the street. You may be highly aware on the street. In the home you are more relaxed or even asleep. Many of the tragic depredations by our protein fed, ex-con criminal class occur in the home. In a home defense situation, the range is short and gun handling is more important than marksmanship. Learn how to decrease the odds of your home becoming a target!

Training that will last a lifetime - nobody wants to use a firearm to protect themselves - but you need to know when and how to use it! I feel so strongly that my students need to ALWAYS feel comfortable and in touch with their training, that once you attend one of my classes, you are welcome to come back for a refresher any time you please, at no cost to you.
