Our Wisconsin Conceal Carry Class offers comprehensive training for individuals seeking to legally carry a concealed weapon. Join us to ensure safety and compliance. Curriculum Description Lessons: Developing a Personal and Home Protection Plan Self-Defense Firearms Basics Shooting Fundamentals Gear and Gadgets The Legal Use of Force Violent Encounters and the Aftermath Basic and Advanced Skills Other topics covered: Personal Safety, Handgun Safety, Handgun Fundamentals, Handgun Operation, Handgun Selection, Physiological Reactions to Violent Encounters Over 1 million students have taken the U.S. Concealed Carry Association's course offerings across the nation. Concealed Carry and Home Defense Fundamentals is a comprehensive classroom course for anyone considering owning or carrying a firearm for self-defense. If you are new to handguns, this is a great introduction to everything you need to know to start your self-protection journey. This course is a complete guide to understanding the basics of firearms ownership, safety, and nomenclature, and how it applies to home- or self-defense. Students will feel confident to act as their family's first line of defense in the event of a home invasion or other critical incident
